**E**mirati mothers have extended heartfelt congratulations to the mother of UAE astronaut Sultan Al Neyadi on his safe return to the country following the successful completion of the longest Arab space mission.

The women also congratulated UAE leaders and the people of the UAE on Al Neyadi's historic achievement and safe return home, which reflects the pride and joy felt by the entire nation. They expressed their profound pride in the 'Sultan of Space' for his remarkable six-month mission on-board the International Space Station, where he made history as the first Arab to perform a space-walk.

### Deep admiration

In their touching messages addressed to Al Neyadi's mother, a group of Emirati women expressed their deep admiration for the space hero who fulfilled the dream of the late Shaikh Sultan Bin Zayed Al Nahyan. They also paid rich tributes to UAE leaders for their unwavering support for the nation's youth.

These sentiments beautifully reflect the strong sense of unity and shared pride among Emiratis. Sultan Al Neyadi's achievements are indeed a source of
